PROFILE

Passionate Software Developer with 2+ years of experience building full-stack web applications using React, Express, and Java. Skilled in both front-end and back-end development, with expertise in Angular, Node.js, jQuery, and Oracle SQL. Known for delivering scalable, high-performance solutions in fast-paced, Agile environments. Eager to contribute to innovative projects and collaborative teams.

SKILLS

Languages
Java, JavaScript (ES6+), SQL

Frameworks & Libraries
Bootstrap, Material Ui (MUI)

Web Servers & Middleware
WebLogic, Nginx

Methodologies
Agile

Front-End Technologies
React.js, jQuery, Angular , HTML5, CSS3

Database
Oracle SQL

Version Control
Tortoise SVN

Back-End Technologies
Express.js, Node.js, Spring, Spring Boot, Oracle SQL

Reporting Tools
Jasper Reports

Development Tools
IntelliJ IDEA, Visual Studio Code, Postman

PROFESSIONAL EXPERIENCE

September 2023 – present
Navi Mumbai, India

System Engineer
Tata Consultancy Services

- **Developed full-stack web applications** using AngularJS, React.js, Express.js, and Java, enhancing performance, maintainability, and user experience.
- **Designed responsive UI components** and integrated third-party APIs, improving usability and platform scalability.
- **Built and optimized RESTful APIs** and Oracle SQL schemas, reducing latency and improving data access by up to 30%.
- **Created actionable business reports** using Jasper Reports, supporting data-driven decision-making.
- **Lead migration projects** from vanilla JS and AngularJS to modern React-Express stacks, boosting code quality and reusability.
- **Collaborated in Agile teams**, participated in code reviews, and implemented unit tests —reducing bugs and accelerating delivery cycles.

PROJECTS

Audit Reporting System
Developed a full-stack reporting system with React.js and Express.js, implementing secure user authentication and seamless CRUD operations.

Balance Sheet
Built a dynamic balance sheet tool using AngularJS and Java, automating report generation from diverse financial data sources.

Reporting Dashboard
Created an interactive dashboard using jQuery and Java, enabling real-time data visualization and multi-source data integration.

AWARDS

April 2025	**UI/UX Innovator Award** **Client Recognition** Honored for exceptional contribution in the successful migration and revamp of a legacy application into a modern React.js frontend using MUI, delivering a significantly improved user experience and streamlined UI design.

EDUCATION

2017 – 2021 Guntur, Andhra Pradesh	**Bachelor's of technology** **KL University** 🔗
